Who we are:

Caritas is a Catholic charitable organisation. Caritas Fils-Neckar-Alb is one of the nine regions of the Diocesan Caritas Association Rottenburg-Stuttgart e.V. We have counselling centres in Esslingen, Göppingen and Reutlingen, the three main towns of the Fils-Neckar-Alb region.

What we do:

We offer advice on coping with different situations in life.

Our services are mainly provided in German and cover the following areas:

- Questions concerning issues relating to integration and migration
- Questions about dealing with social services

- Questions referring to material and financial aid
- Questions concerning job research and employment services

- Questions concerning pregnancy
- Questions relating to the family, children's education and matrimony

- Personal and social questions

Who we advise:

Our main purpose is to provide pragmatic help to people in need. All our services are open to anyone who is looking for guidance, regardless of nationality, religious or social background. We support everyone in the same way.

How we work:

In all cases guidance is given by qualified social workers. Everybody who uses our services can be sure of our staff's professional discretion.
